Choose CentralGuard for the best protection and a lifetime warranty.

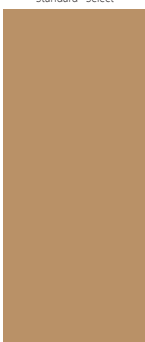

*Copper Metallic panels must be installed in the same direction. See directional arrows or stickers provided on your panels. Contact your salesperson for accurate pricing. † Color variation between orders is normal and not cause for rejection. ‡ Weathering and appearance variation, including color, sheen, and spangle, is common in non-painted materials and is not a cause for rejection. For consistent appearance, choose a paint-finished product.

Colors on this chart are close representations of actual metal color, limited by printing and viewing conditions. Color matching optimized for outdoor viewing.
